

SAN DIEGO DJ OPEN FORMAT, 30 YEARS

2026 SAN DIEGO MUSIC AWARDS · BEST HIP HOP/RAP ARTIST

BIO

Atoy Harris, known professionally as DJ Redlite, is a San Diego DJ, music producer and educator with 30 years behind the decks. He came up on hip-hop and R&B with a turntablist background and plays open format today, moving across hip-hop, R&B, house, disco and whatever the room calls for without losing the floor. He won Best Hip Hop/Rap Artist at the 2026 San Diego Music Awards. He plays private celebrations, company events and venue nights across San Diego County and Southern California, and brings the same preparation to every one: a conversation about the music first, equipment and timing sized to the room, then a set built for the people in it. Sound, microphones, lighting and backup gear come to every job. Off the decks he produces and mentors the next generation of artists.
